

Payer Payments **FAQ**

Health Plans are working with InstaMed to deliver claim payments via electronic remittance advice (ERA) and electronic funds transfer (EFT). ERA/EFT is a convenient, paperless and secure way to receive claim payments. Funds are deposited directly into your designated bank account and include the TRN Reassociation Trace Number, in accordance with CAQH CORE Phase III Operating Rules for HIPAA standard transactions.

Additional benefits include:

- **Accelerated access to funds** with direct deposit into your existing bank account
- **Reduced administrative costs** by eliminating paper checks and remittances
- **No disruption to your current workflow** – there is an option to have ERAs routed to your existing clearinghouse
